## Replacement Sheet

Buttons	Description
 	Use these button to go to the beginning or the end of a series of events or images (depending on the direction of the arrow).
 	Use these buttons to go forward or backward by ten events or images (depending on the direction of the arrow).
 	Use these buttons to go forward or backward by one event or image (depending on the direction of the arrow).
<b>Jump to Image #</b> <b>Jump to Event #</b>	Type the number of the image or events you want to view, and click on this button to display that image as the large image. The image or event number displays next to each thumbnail frame (for example, Image 7 of 48).
<b>Save Comments</b>	To store comments with the image, type your comments in the comments field, and click on this button. The next time this image is retrieved, the comments display with the image.
